MANDATE

The Indian Agricultural Universities Association (IAUA) is a Registered Society under Registration no. 3498 of 10 November, 1967. It was established in November 1967 with nine agricultural universities as its founder members, viz. PAU, Chandigarh (now Ludhiana); APAU (now ANGRAU), Hyderabad; JNKVV, Jabalpur; UPAU (now GBPUAT), Pantnagar; UAS, Bangalore; KU, Kalyani university (now BCKV, Mohanpur); OUAT, Bhubaneswar; UU (now MPUAT), Udaipur and IARI, New Delhi.

During this long span there has been phenomenal increase in the number of member universities, especially during the late 90s and onwards. At present the strength of the IAUA membership is 53 including i.e. 46 state agricultural universities, 5 deemed-to-be universities (IARI, IVRI, NDRI, CIFE and SHIATS) and 2 central agricultural universities (CAU, Imphal and BHU). All these are regular members of the Association.

The main objective of the Association is to promote agricultural research, education and extension in the universities and the states, and thereby rural development in the country. It also acts as a bureau of information to facilitate communication, co-ordination and mutual consultation among agricultural universities. The Association also acts as a liaison between member universities and government departments to facilitate communication and expedite the needed action in matters of importance.

All the SAUs and institutions (deemed-to-be universities) and (Central Agricultural Universities) in India, which provide an integrated programme of teaching, research and extension education in agricultural sciences, are qualified to become regular members of the Association.

Vice-Chancellors of member universities constitute the Association's General Body. The General Body meets once a year to decide the agenda for the next convention and also for adoption of its audited accounts of the year and approval of budget estimates for the next financial year, besides the election of the office-bearers for the following calendar year. The Executive Committee of the Association consists of President, Vice-President, Secretary-Treasurer and three members. The Executive Committee meets quarterly.

The office of the Association is manned by Secretary General, who implements the decisions of General Body and Executive Committee on behalf of the Association. A quarterly newsletter is also being published by the Association since 2000, giving important news, events and achievements by member universities for the information of all the members and other interested.

The main source of revenue of the Association is the annual subscription from member universities. The ICAR also provides a nominal grant annually.

MANAGEMENT

Executive Committee

The Executive Committee of the Association takes decisions in its quarterly meetings, regarding day-to-day functioning of the Association. Its directions on activities, events and policy matters are referred to the General Body for final approval and ratification. During the year 2010-11, **four** Quarterly Executive Committee Meetings were held, viz. No.2 of 2010 on 28 June 2010 at IAUA, Hd. Qtr., New Delhi; No.3 of 2010 on 20 September 2010 at IAUA, HQRs; No.4 of 2010 on 6 December 2010 at OUAT, Bhubaneswar; and No.1 of 2011 on 24th March 2011 at IAUA, Hd. Qtr. Some important resolutions adopted during these meetings are given below: -

- President, IAUA to write to Governors, Chief Ministers and concerned Ministers of States, stressing the need of public investment in agricultural research and education.
- To hold 8th IAUA National Symposium on "How to make agriculture more remunerative for small farmers" and 36th Annual Convention of VCs and Symposium on "AUs efforts to generate internal financial efforts" and 4th Brainstorming Session on "Man power assessment in relation to work and output in AUs".
- To expand the Association's linkages with international sister organizations like APAARI, Bangkok, by first becoming its 'Affiliate' and then associated member and member of AAACU, Philippines .
- To organize a conference on 'Operationalization of national policy for farmers, 2007' in collaboration with ICAR and Ministry of Panchayati Raj, G.o.I in 2009-10 (2-3, March 2010) held at ANGRAU, Hyderabad.

General Body Meeting

The **General body meeting** was held on 7-8 December 2010, at OUAT, Bhubneshwar. Some important resolutions adopted during the meeting are as under:

1. The tenure of Vice Chancellor of State Agricultural Universities should be minimum of 5 year and age of their superannuation should be 70 years. Similarly age of superannuation of faculty members should be 65 years as per UGC norms.
2. The state Government should take primary responsibility of Agricultural Education. There should be a separate line of funding in state budget for State Agricultural Universities with revision atleast every 2 years.
3. The State Agricultural Universities (SAUs) should not be bifurcated or fragmented to 2 or more universities, rather new SAUs with necessary funding, infrastructure and manpower be established if essentially required.
4. The Private Agricultural Colleges existing in General Universities should be brought under the State Agricultural Universities under National Agricultural System.
5. The Zonal Research Stations should be strengthened to cater to the need of generating location specific technology.
- President, IAUA to send letters to request Governors and CMs of concerned States for uniformity of 5 years in the tenures of VCs and 70 years in their retirement age.
- Adequate funding of NAARM, Hyderabad by ICAR to enable it to impart training to the staff of SAUs free of cost, as in the case of ICAR staff.
- Creation of more central universities and upgrading of state agricultural universities to central universities.
- To request Government of India and National Planning Commission to provide special fund to strengthen financially sick universities.
- To request ICAR to enact a policy regarding counting of past service for all purpose in case of inter- university selection or transfer of teaching and research staff.
- To encourage universities to develop inter-universities linkages for research work.
- To encourage universities to generate carbon credit in rural and peri -urban areas.
- Adoption of Association's audited accounts for the year 2009-10.
- Election of New Executive Committee for the calendar year 2011 :
 1. Dr. Tej Partap, VC, SKUAST, Srinagar — President

EVENTS

I) 7th National Symposium

“Novel Strengths Sharing among Agricultural Universities”

held on April 28-29, 2010 at CIFE, Mumbai

Major recommendations of the Conference

1. A consortium of different SAU/DU in the area of veterinary and fishery science should be established to address the issues of mutual interest.
2. A collaborative program on the effect of climate change on epidemiology of animal diseases should be developed and executed in a participatory mode.
3. Collaborative programme for harnessing the potential of cold deserts for fruits, vegetables and seed production should be chalked out.
4. National core faculty in certain disciplines from ICAR-DU and SAU should be identified and the modalities for exchange of faculty and resources should be decided.
5. A six year integrated course with minimum qualification of 12th standard should be introduced in CAU/SAU/DU for attracting rural youth towards agricultural education.
6. An active participation of entrepreneurs in integration of production and processing technologies should be ensured by developing a framework.

7. IAUA should take an initiative to prepare synthesis document listing 2-3 strengths for each university and send to all SAUs for feedback.(till date 31 AUs)
8. UGC package in full to be implemented in all SAUs. IAUA may convey this recommendation of the conference and request ICAR to take up the issue of implementing 6th pay commission in SAU's where it has not been implemented so far.
9. Inbreeding in SAU's should be stopped and few posts should be allocated to central pool where anyone from any state can apply for recruitment.

35th Annual Convention of VCs and Symposium on "Tribal Areas Development" on 7-8/12/2010 at OUAT, Bhubneshwar.

Specific Recommendation for "Tribal Areas Development"

1. Intensive literacy drive and checking school dropouts in tribal areas to remove superstitions beliefs, liquor addiction and poverty of Tribals.
2. Provision of proper market, with market support policy and access to Information and Communication Technology to tribals to make agricultural products remunerative.
3. Evaluation of all existing welfare schemes on tribal people, identification of reasons for failure or non adoption of technology for refinement and formulation of new schemes/ programmes in an integrated manner.
4. Establishment of Central Agricultural University/ Specialized National Institutes in the intensive tribal populated zone of the country to address tribal need.
5. Initiation of Network Project/ AICRP on Tribal Area Research in tribal populated states for solving state specific tribal problems.
6. Amendment of Forest Conservation (Amendment) Act of 1988, distribution of degraded land amongst tribals and comprehensive acceptable package for displaced persons before undertaking any essential development Project in tribal areas.
7. Improvement of livestock sector through establishment of viable co-operative societies, fodder cultivation, periodic training on livestock management, provision of soft loan for Animal Sector including backyard poultry, piggery, goatry and fishery.
8. Ensuring timely supply of quality planting materials of horticultural crops and seeds of other crops viz., cereals , minor millets, pulses etc. as per the need of tribal area.
9. Integration of primary, secondary and tertiary agricultural activities like kendu based/ sericulture based/ bamboo based products, food processing, beekeeping, mushroom culture along with crop and animal husbandry through Integrated Farming System and Cropping System models for holistic economic growth of tribal people while conserving soil, water and the rich bio-diversity of the region.
10. Encouragement of Agricultural processing facility in tribal areas in Public Private Partnership mode for value addition and higher return for Agricultural produce.
11. Need based and problem oriented training through KVKs and training on women empowerment, exposure visit of tribal people of less developed area to the developed tribal area for interaction with successful tribals.
12. Promotion of Self Help Groups (SHGs)/ Commodity Groups/ Women SHGs etc. to empower the tribals for Agricultural production and marketing of produce in a Co-operative manner for better return through enhanced bargain power.

13. Soil and water conservation measures like rainwater harvesting, check dams, conservation Agriculture etc. for enhancing cropping intensity and year round employment generation.
14. Development of small tools and implements for drudgery reduction and appropriate technology for enhancing farm productivity in tribal areas for easy adoption.
15. Engagement of scheduled tribe agricultural graduates ambassadors through KVKs to win the trust of the tribal people and motivate them for their holistic development.

LINKAGES

The Association expanded its linkages with international sister Associations, like Asia-Pacific Association of Agricultural Research Institutions (AAPARI), Bangkok, AAACU, Philippines and signed MOU with NCHU, Taichung, Taiwan. This will facilitate global exchange of views and knowledge in the field of agricultural research, extension and education.

AWARDS AND RECOGNITIONS

Prof. (Dr) M. P. Yadav Honored by Chhattisgarh State

Prof. Dr M. P. Yadav, Former Director, Indian Veterinary Research Institute (IVRI), Izatnagar and Ex Vice Chancellor, Sardar Vallabhbhai Patel University of Agriculture and Technology, Meerut (UP) was honored by the Honorable Chief Minister of Chhattisgarh, Dr Raman Singh on 22nd June 2010 at Raipur during the Inaugural Session of the National Seminar on Small Ruminants with particular reference to the control of PPR in goats and sheep (sheep and goat plague). On this occasion, Dr Yadav also delivered a Keynote address on the "Management of Small Ruminant Diseases with particular reference to PPR". Goat and sheep, having more than 32 million population in Chhattisgarh, make valuable contribution to the small holder farmers economy, and food and nutritional security. About 75% farmers in Chhattisgarh are smallholders, having less than two hectares of land. PPR, a viral disease of small ruminants, inflicts heavy economic losses through high morbidity and mortality.

Prof.(Dr.)M.P.Yadav

Life-time achievement award to Prof. (Dr) M.P. Yadav

The Indian Society for Advancement of Canine Practice conferred Life-time Achievement Award to Prof. (Dr) M.P. Yadav for his distinguished contribution to Veterinary Science, especially to Canine Practice. H.E. Shri N.N. Vora, Governor of Jammu and Kashmir, presented him the award during the 8th Annual Convention of ISACP and national symposium on "Prevention and management of companion animal diseases vis-à-vis human health", held at Sher-e-Kashmir University of Agricultural Sciences and Technology- Jammu on 2 February 2011.

G.B. Pant University of Agriculture and Technology, Pantnagar

Scientist awarded for writing book

Two scientists of Department of Vegetable Science of the College of Agriculture of the University, Dr. D.K. Singh

Dr. D.K. Singh receiving Rajendra Prasad Puraskar

and Dr. Durvesh Kumar Singh have been honoured with Rajendra Prasad Puraskar by the Indian Council of Agricultural Research, New Delhi for writing a useful book '*Sabji Beej Utpadan ki Naveentam Takneek*'. The award comprising of a certificate and Rs. 50,000 was given by the union Agriculture Minister, Shri Sharad Pawar at a function held on the occasion of foundation day of the Council, i.e. 16 July, 2010, in New Delhi.

ANAND AGRICULTURAL UNIVERSITY, ANAND

Awards to scientists

Dr J.G. Patel and Dr Mahesh R. Patel, Directorate of Extension Education, were awarded by Shri Bhupendrasinh Chudasama, former Agriculture Minister, on the occasion of Mavtar Vandana programme and Lok diaro, organized by Gandhinagar Rachnatmak Seva Samiti at Gandhinagar on 31 December 2010. The award was given for their best contribution in the field of agriculture through an innovative technology for the benefit of farming community based on value addition of cowdung and urine.

Dr. G.K. Mishra, H.J. Derashri, J.A. Patel and V.P. Belsare received Prof. Nils Lagerl of Memorial Award of Indian Society for Study of Animal Reproduction, on 10 November 2010 at Pantnagar for the best research paper published during 2009. The paper was on "Economic management of *post-partum* period to optimize the profit in pure Holstern-Friesien cows". It was given during International symposium on Biotechnologies for optimization of reproductive efficiency of farm and companion animals to improve global food security and human health, and XXVIth Annual convention of ISSAR, organized by Department of Animal Reproduction, Gynaecology and Obstetrics, College of Veterinary and Animal Sciences, GBPUAT, Pantnagar.

DR BALASAHEB SAWANT KONKAN KRISHI VIDYAPEETH, DAPOLI

Fellowship to Dr V. B. Mehta

Dr V.B. Mehta, VC, was made 'Fellow' by Indian Society of Coastal

Dr. V.B. Mehta

Agricultural Research, West Bengal. Shri Pratapsingh Rane, Speaker, Goa Assembly, presented the award to him during National Symposium on 30 October 2010.

KERALA AGRICULTURAL UNIVERSITY, THRISSUR

KAU wins ICAR performance Award again

The KAU has won the ICAR Performance Award again in 2010-11, the only State Agricultural University to get this recognition for four consecutive years (since 2007). It secured the first prize by winning 46 JRF.

Dr K.R. Viswambharan, VC, received the award from the Shri Sharad Pawar, Union Minister of Agriculture, at New Delhi on 23 February 2011.

Dr. K.R. Viswambharan, VC, receiving the award from the Shri Sharad Pawarji.

SRI VENKATESWARA VETERINARY UNIVERSITY, TIRUPATI

Young Scientist award to Dr Alpha Raj

Dr M. Alpha Raj, Assistant Professor, Department of Pharmacology and Toxicology, College of Veterinary Science, Tirupati, received Young Scientist Award at second International symposium on Medicinal plants and herbal products, held at Tirupati, organized jointly by A.P. Medicinal and Aromatic Plants Board, Hyderabad; Sri Venkateswara University; A.P. Council of Science and Technology; and Association of Pharmaceutical Teachers of India, in December 2010. The award was given for his significant contribution in the field of medicinal plants and herbal products in livestock-disease prevention and drug development. His research findings demonstrated the beneficial effects such as hepato-protective effect of plant extract from *Boerhaavia diffusa*, cardio-protective effect of *Tinospora cordifolia*, antioxidant effect of powders of *Spirulina*, anti in-inflammatory effect of *Boswellia ovalifoliata* and *Ocimum sanctum*, and phyto-estrogenic effects of *Trigonella foenum-graecum* and *Cicer arietinum*.

Dr. M. Alpha Raj

TAMIL NADU AGRICULTURAL UNIVERSITY, COIMBATORE

TANSA awards

Dr B. Meena, Assistant Professor (Plant Pathology), Sugarcane Research Station, Sirugamani, received Tamil Nadu Scientist Award-2008 in Agricultural Sciences, constituted by Tamil Nadu State Council for Science and Technology, Chennai, based on her research contribution in biological control of plant diseases.

Dr. B. Meena receiving award

Dr K.S. Subramanian, Professor and Head, Department of Nano Science and Technology, received Tamil Nadu Scientist Award (TANSA) in Agricultural Sciences, for his outstanding contribution in the development of ICT-enabled interactive visual diagnostic kit software for the identification of nutrient deficiencies in crops and mycorrhizal symbiosis-associated nutrient dynamics in rhizosphere. The award was presented by Minister for Higher Education on 24 August 2010 at Chennai.

Dr. K.S. Subramanian receiving award

FAI Golden Jubilee award-2010

The team of Dr P. Murugesu Boopathi, VC, Dr R. Santhi and Dr R. Natesan, Professors of Soil Science and Agricultural Chemistry, TNAU, Coimbatore, received Fertilizer Association of India, New Delhi, Golden Jubilee Award for excellence in the field of Nutrient Management of Vegetable and Fruit Crops, Directorate of Natural Resource Management. The award was given for the commendable research work done on nutrient management through soil test-based integrated plant nutrition system (mineral fertilizers, organic manures and bio-fertilisers) on Inceptisols, Ultisols and Alfisols for vegetable crops, viz. onion, bhindi, cabbage, carrot, potato, tapioca and chilli. They developed packages of site- and situation-specific soil test-crop response-based integrated plant-nutrition system (STCR-IPNS) fertilizer recommendation for desired yield targets of vegetable crops. The STCR-IPNS are useful to avoid nutrient mining, recycle the farm wastages, ensure balanced and efficient fertilizer use, and sustain production potentials of vegetable crops.

FAI Golden Jubilee Award

Shri M.K. Alagiri, Union Minister for Chemicals and Fertilizers, Government of India, gave the award to Dr R. Santhi, on behalf of the team on 29 November 2010 at the inaugural function of the FAI Annual Seminar-2010 at New Delhi. The award carries a citation, gold medal and a cash prize of Rs 20,000.

Honour to VC

Lt General R.K. Karwal on approval of Government of India, Director-General of NCC, conferred the honorary rank of Colonel to Dr P. Murugesu Boopathi, VC.

Honour to Dr. P. Murugesu Boopathi

The piping ceremony was conducted by Colonel S. Gopalan, Commander, NCC Group Headquarters, Coimbatore, and Lt. Col. D. Deenadayalan, Commanding Officer, 4 Tamil Nadu Battalion NCC, Coimbatore, on 16 December 2010 at Bharathiar University, Coimbatore. Dr Murugera Boopathi was also appointed Honorary Colonel Commandant of the NCC in TNAU.
